Dear Mr. Lawrence:

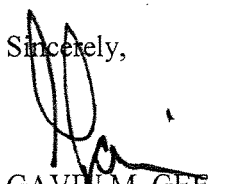

For the last four years, CSBS has been conducting a bank directors' training seminar in Coeur d'Alene, Idaho, which has been co-sponsored by my state, Utah, Washington and Montana. The goal of the program is to provide the bank regulatory perspective without scaring directors about personal liability. After reviewing the enclosed agenda for the 2006 seminar, you will see that the program is designed to deliver practical, valuable training to directors. The seminar has been a tremendous success and is building quite a following of bankers and directors.

As we did last year, it is our desire to make the 2006 session a national meeting. The seminar will be held September 24-26 at the Coeur d'Alene Resort on beautiful Lake Coeur d'Alene. I encourage you to participate and invite the directors of your banks to attend. Commissioners who have bank directors at the seminar are always invited to participate in the Regulators Roundtable. We would love to have you actively participate with your bank directors.

I have enclosed a Registration Form and a Fact Sheet on the hotel and area. You may also register on-line at www.csbs.org. Please invite your directors to register and make room reservations right away.

If you are interested in making this opportunity available to your bank directors or if you have any questions, please feel free to contact me or Mike Stevens at CSBS (1-800-886-2727, mstevens@csbs.org).

Sincerely,

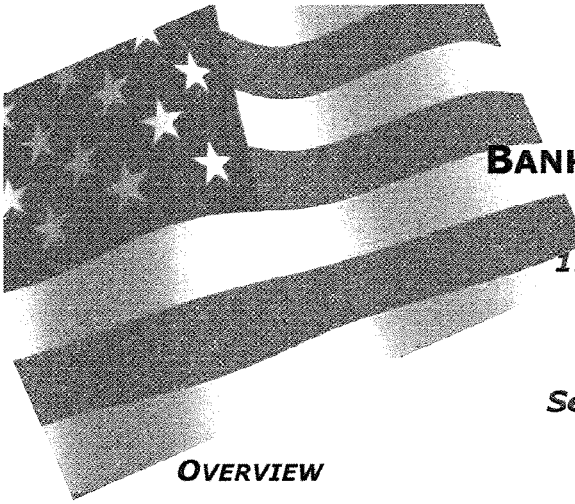

GAVIN M. GEE
